30th

What is LIHEAP?

The Low-Income Home Energy Assistance Program (LIHEAP) a federally-funded program that helps low-income households pay their home heating and cooling.

How do I qualify?

Consortium tribes who participate in the LIHEAP grant along with their descendants, who reside in Riverside or San Bernardino County and meet the income guidelines.

Application Process

- Complete LIHEAP application
- Proof of gross monthly income (for all adults on the application if applicable)
- Tribal Card or Certificate Degree of Indian Blood indicating direct lineage from a tribal member
- Pictured ID (needed if picture is not on tribal card)
- Social Security cards for all family members being claimed in the household

What type of utility assistance is provided?

- Crisis Assistance—Shut off Notices (Eligible households may receive crisis assistance in the amount to resolve the crisis up to \$600)
- Regular Heating and Cooling Assistance
- Weatherization Assistance (if funding is available)

What type of bills are paid through the LIHEAP grant?

Gas, Electric, Propane, and Wood (two estimates needed for wood)
