

Please take part in a 15-minute research survey!

HARC and UC Riverside School of Medicine are doing a research survey to learn more about how people deal with the COVID-19 pandemic. It should take about 15 minutes. Your responses are confidential.

Study Title: Follow-Up Survey for IE Indigenous/Native American Community on COVID-19 Attitudes and Experiences

Two Ways to Participate

1

Take the survey online at bit.ly/3IKezVt

2

Call HARC at (760-404-1945) and leave a message that you would like to take the STOP COVID-19 survey. Please say your name, phone number, and the best time of day to reach you. Someone will call you back within a week.

The first 400 participants will receive a \$20 Visa card in the mail as a thank-you for your time.

Requirements:

- Age 18+
- Live in San Bernardino or Riverside County
- Identify as: Native American/American Indian, American/Black, and/or Latino/Hispanic
